

A NOTE FROM PASTOR

“EVERY CHILD BUILDS THEIR LIFE ON THE FOUNDATION OF THEIR EDUCATION. CHRIST AND TRUTH ARE AT THE CENTER OF CHRISTIAN EDUCATION. I CAN THINK OF NO MORE SIGNIFICANT FOUNDATION FOR A CHILD TO BUILD THEIR FUTURE ON THAN THESE TWO.”

Ambassador Academy uses the “ACE” curriculum. It is different from the traditional classroom format. Rather than teaching students corporately, class supervisors guide children one-on-one through incremental booklets. This strengthens the reading comprehension of our attendees while also offering them personalized tutoring based on their unique needs.
