A Ministry of the Rural Retreat Baptist Church

In 2021, we finished constructing our Youth Center. It is equipped with a gym, seven classrooms, a kitchen, a cafeteria, two offices, and a game area. This is the base of our school and Sunday Evening youth operations. Our hope is to fill up this debt free space that the Lord has provided for us with a larger enrollment of both students and staff. We use the ACE curriculum.

The Rural Retreat Baptist Church has been faithfully preaching the gospel for over 60 years. We are an independent Baptist church with a priority of reaching the lost for Christ. The KJV is the only Bible we use. A good balance of both young and senior members make up the congregation. Whether it be new construction, summer programs, outreach, or revivals, there are always exciting things going on; it is simply not in our DNA to remain idle.

## Pastor Jacob Vanover

Pastor and his wife Amy have been serving at the church for over 10 years and are looking forward to many more.
